

# West Cliff Primary School Learners Outside the Classroom

Exploring, motivating, engaging,  
creating and thinking.

# Beach Schools

West Cliff Primary School Beach School	We are explorers and learn through play...			We are motivated and involved in active learning...			We are creators and critical thinkers...			We are survivors...
	We find out and explore...	We play with what we know...	We are willing to 'have a go'...	We are involved and concentrate...	We keep trying...	We enjoy achieving a goal...	We have our own ideas...	We make links with learning...	We choose ways to do things...	We can use our local environment to survive...
Reception	Collect shells	Throw a Frisbee	Have a beach picnic	Watch the sea	Balance on a rock	Go paddling in a puddle	Create a collage	Meet a lifeguard	Can you build a sandcastle?	Eat an ice cream
Y1	Find living things on the beach	Throw and catch a beach ball	Toast Marshmallows	Watch the tide (high tide and low tide)	Skim a stone	Go paddling in the sea	Create a sand sculpture	Record the sounds of the sea	Can you build a paddling pool?	Eat a bag of chips
Y2	Touch a crab	Play French boules	Make Hot Chocolate	Study tidal lines	Litter pick	Race a wave	Create a beach sculpture	Take photographs of the beach	Can you build a shelter?	Eat fish and chips
Y3	Put your face in a rock pool	Play beach football	Make a beach pizza	Investigate how sea defences work	Metal detecting	Jump over waves	Balance stones	Create a beach collage using PicCollage	Can you build a sea defence?	Eat crab
Y4	Explore a rock pool	Play beach cricket	Make beach bread	Follow a visual tide timetable	Dam a stream	Sit in the sea	Create an arch	Make a beach book	Can you build a driftwood raft?	Eat cockles and whelks
Y5	Catch a wild creature	Play beach rounders	Make a cake	Follow a tide timetable	Identify different fossils	Hit the Surf	Shadow and photo art	Make a movie trailer	Can you drink the sea?	Eat seaweed
Y6	Catch it, cook it, eat it!	Play beach volleyball	Host a beach BBQ	Understanding the tides	Build a beach marble run	Swim in the sea / Surfing	Create and host an art exhibition	Become a film star	Can you light a fire?	Eat a limpet

West Cliff are learners outside the classroom.  
They explore, motivate, engage, create and think.  
They leave no trace.

The 70 things to do on West Cliff beach!

West Cliff learners explore the natural environment right on their doorsteps! Beach learning is explorative, motivating and creative.

Thankyou for the fried jam sandwich on the beach today. It was certainly a first, but bizarrely, quite tasty!
